

# SAT Course

## targeting the May 2021 SAT

### --Hosted by Prowess Test Prep--

Maximize your score by taking a prep course with Jim Addeo, Cornell graduate and 99<sup>th</sup> percentile scorer on the exam. The curriculum is two-pronged: students will learn the most crucial content of the exam as well as the key ingredients that make up a good test taker – systematic thinking, pattern recognition, anticipation and smart pacing. All meetings are currently held via Zoom due to the pandemic, however stand by for a possible switch to in-person classes at an Albany-area office by summer. The precise location TBD – stand by!
